# I TALLER DE LA FACULTAD DE BIOLOGÍA SOBRE BIODIVERSIDAD MARINA Y CONSERVACIÓN “THE END OF THE LINE”: A WORLD WITHOUT FISH?

Program details

## Day and place of the event:

11<sup>th</sup> of February, in the conference room of the Faculty of Biology.

## Workshop organisation:

- 1.30pm: Welcoming of participants
- 2pm: Projection of the movie “the end of the line”
- 3.30pm: Comments around the movie by the board of experts, in front of the students.
- 4.30pm: Break
- 4.45pm: Splitting in workshop sessions group according to the choice expressed by each participant through inscription process
- 6.15pm: Break
- 6.45pm: Debriefing session, the workshops leaders (students) address their questions (arising from the debate during the sessions) to the board of expert.
- 7.45pm: Conclusions and thanks
- 8pm: End

## Workshop subject:

Four themes have been chosen for the workshops to take place after the diffusion of the documentary movie (in brackets are given the potential names of the specialist observer):

Fishing sector (Cpt Javier Llorca)  
Marine Conservation (Dra. Lucía García Flórez)  
Research around fisheries (Prof. Eva Garcia Vazquez)  
Fisheries policies (Prof. Antonio Alvarez-Pinilla)

A couple of students from MBMC and EMBC will be added to each workshop session to supervise the discussion.

## Posters display:

Parallel to the workshop, posters will be displayed for public information around 3 themes:

Promoting EMBC  
Arising public awareness on fisheries  
Presentation of work achieved by the students though the Master
